

Mission Statement

Y.H. Park Olympic Taekwondo is a team of highly motivated individuals dedicated to the development of character and inner peace characterized by superb quality and professionalism. Our strength is generated from our commitment to our students, our people, our industry and our communities. We teach our students to get the most out of TaekwonDo physically, mentally, and philosophically. Along with Taekwondo we want our students to learn the importance of getting their work done and doing well academically. Our goal is to make sure all our students enjoy themselves in a family friendly atmosphere. This is your second home so feel welcomed!

Our after school program provides a great alternative to day care. We offer a unique child enrichment curriculum.

Y.H. Park Olympic TaeKwonDo after school students will grow...

Physically: will help body become physically fit, in shape and healthier.

Mentally: students will gain self confidence and have a better outlook of themselves and all around them.

Socially: Students will develop friendships with fellow classmates and build social skills.

Academically: Students will learn discipline and better study habits which will result in better grades at school.

Philosophically: Students will have a great attitude and learn invaluable life lessons that will set a good foundation for their future.

FREE PICK UP!

Y.H. Park Olympic TaeKwonDo will pick your child up from school and safely transport them to our TaeKwonDo school for a fun filled afternoon of martial arts classes, homework and other activities!

Program Hours:

- The kids will have a great time from the moment we pick them up from school until 6:00

How to Register:

- To register call the school and ask about our “After School Program” and we’ll get you all set up.

What’s the Plan?

Homework and leisure time

- Right when the kids come in they will be helped until their homework is completed, then they will enjoy leisure time! (eating snacks, board games and reading, etc.)

TaeKwonDo!

- Students will then participate in TaeKwonDo class where they will learn respect and discipline in a great environment.

Students will then be picked up by their parents at 6:00

The Perfect Balanced Day for Every Kid!
